Welcome to TK Sports!

Dear hockey friends,

We are very proud to be the new partner of the NL master teams and we don't want to miss welcoming you!

We are really looking forward to this new cooperation and will do our utmost to provide you with both good products and excellent service over the next five years.

Apart from the garments, specially designed and produced for the NL masters, we are also able to offer everything else needed for field hockey, including hockey sticks, player protections, bags and much more. Discover our wide range of TK Sports products and make use of the 40% special discount, granted especially to you.
