World Masters Hockey - Indoor World Cup Update

Dear Interested Indoor Players and Officials,

We are delighted to announce that currently 46 teams (30 men's teams and 16 women's teams) from nine different countries have registered for the WMH Indoor World Cup, at Virginia Beach, USA, from Feb 15-20, 2022.

Whilst some uncertainty regarding the ability to travel internationally exists, WMH is extending the deadline to register for the Indoor World Cup to September 30, 2021.

Our partners at USA Field Hockey are doing a wonderful job ensuring that the tournament will be well worth attending. They have secured reasonable hotel rates within walking distance of the playing facility, and have added much useful information to their website:
